

Articulation Agreement
Between
Hamilton High School
And
Miami University Hamilton/Middletown
Department of Engineering Technology

Miami University Hamilton/Middletown and Hamilton High school enter into the following agreement governing college-level credit for secondary school students with advanced standing.

Students completing Introduction to CAD, and Advanced AutoCAD Applications at Hamilton High School are eligible to bypass ENT 135 Computer Aided Drafting at Miami University. As such, this course will be waived from their curricular requirements. There is no cost to the student and, under normal circumstances, no additional credits are required.

Credit waiver will be applied after the following steps are completed:

1. Completion of the indicated courses with a minimum grade of a B.
2. Become admitted into any of the Engineering Technology programs at Miami University (Hamilton or Middletown).
